## ONE-ON-ONE COACHING

### LeadOne

No matter what the profession, practice, or industry, empowering your leaders is imperative. Through our Lead One coaching program we will equip your next generation of leaders with five critical skills needed in today's business world.

- Coaching
- Connecting
- Communication
- Problem Solving
- Decision Making

This annual program includes one-on-one coaching, an exclusive peer group, access to The One Page Business Plan® and the Leader's Toolkit.

---

## KEYNOTE ADDRESS

### Four Critical Laws

In this 45-60 minute address, we will explore the Four Critical Laws of Leadership which are:

- Law of Learning
- Law of Differentiation
- Law of Connection
- Law of Today

By better understanding and obeying these laws, we will be more effective leaders, which will allow participants to be better equipped to positively impact and influence their team.

---

## KEYNOTE ADDRESS

### Great Leaders Are Great Learners

In this 45-60 minute address, guests will walk away with a better understanding of the following concepts:

- What a growth environment looks like
- The three critical factors of great learners
- The power of questions in coaching
- How to grow your most important asset

---

## KEYNOTE ADDRESS

### Leaders Connect with Their Best

In this 45-60 minute address, guests will learn why MBWA (management by walking around isn't enough), the three factors that influence productivity, the definition and philosophy behind a MARS group and how we really connect with our best.

WORKSHOP

## The One Page® Planning and Performance System

This breakthrough business application takes the best attributes of The One Page Business Plan® process to the web to create a powerful strategic planning and performance management system that helps your company:

- Accelerate growth
- Increase revenues and profits
- Develop stronger communication between divisions
- Better implement your business plan
- Develop high performance leaders
- Focus people and resources on achieving company goals

The One Page Business Plan is a proven business tool that uniquely links planning, strategy, performance and accountability. It's simple, it's easy and it works.

- Every manager has a plan — a One Page Plan
- Uses easy to understand language; no complicated terms
- Integrates performance and progress reporting to the plan
- Teaches systems and critical thinking
- Fosters organizational learning
- Clearly identifies excellent and poor performers
- 360 degree accountability

The One Planning and Performance System features:

- Standardized One Page Business Plan® template
- Drill down navigation with click-thru organization chart
- Linked performance reporting to each objective
- Progress reporting to each action plan
- Color-coded plan status reports
- Flexible system for approval of plans
- Secured and controlled access to system
- Online input and updates
